ASEAN-QA: Joint QA Capacity Development in the ASEAN region

Partners:

DIES Projects

DAAD Deutscher Akademischer Austausch Dienst
German Academic Exchange Service

HRK German Rectors’ Conference
The Voice of the Universities

ASEAN University Network
AQAN ASEAN Quality Assurance Network
ENQA

• Developing the capacity of staff working in the field of QA both on the university as well as on the system level (IQA officers & EQA agency/ ministry staff)

• Making curricula more relevant by meeting the demands of stakeholders (e.g. labour market, students)

• Facilitating a regional framework for QA, and thus increasing interregional HE cooperation and mobility (recognition)

• Exchange of experiences and good practice between Europe and South East Asia
ASEAN-QA: Joint QA Capacity Development in the ASEAN region
