- Partnership
- QE + QA

Simplify
- Small
- Clear
- Easy
3-D KPIs

B Basic Indicator (Top-Down)

T True Identity Indicator (Bottom-Up)

S Social Indicator (Social-Oriented)
Capacity Building

Chain of Quality
Networking

- AQAN
- APQN
- AEQA
AEQA: Asia + Europe Quality Assurance

Goal - Common Principle
Mission - Better Together Simplify
Added values
B. better world citizen
T. together we will do it better
S. simplify AEQA template
Experience

1. General Education
2. "Art for All" Course
“Art for All”

One blind person who cannot see has a mouth to speak

One deaf person who hears no sounds has eyes to see

One person without arms or legs still has a brain to offer

One person, intellectually challenged, has a strong, tireless body to give

One other person brings them all together, in a spirit of friendship, to form one mind, one heart

“Five People Together Make for One Genius”
"Art for All"
