ASEM Workshop

TVET for the Hospitality and Tourism Sector

20-21 November 2012
Vienna, Austria

Naing Yee Mar
Programme Officer
through its worldwide service in TVET, UNESCO-UNEVOC promotes TVET as being an integral part of the EFA movement, which is a global commitment to provide quality education for all children, youth and adult by 2015.
• ensuring that the learning needs of all young people and adults are met through equitable access to appropriate learning and life skills programmes

• enhancing quality and relevance of TVET
since education is considered the key to effective development strategies, technical and vocational education and training (TVET) must be the master key that can alleviate poverty, promote peace, conserve the environment, improve the quality of life for all and help achieve sustainable development.

(UNESCO-UNEVOC, 2004)
Major areas of our function

- Conceptual clarification and monitoring skills
- Acting as a clearinghouse to promote evidence based policy and practices
- Partnerships and networking
- Capacity development at the national level
Thematic Focus

- Employable Skills Development
- Greening Skills Development
- Entrepreneurial Development
- Cross Cutting Themes
Challenges

- How can TVET be transformed to advance the transition to a more sustainable future?
- How can education and training systems better support the transition to green economies and societies?
- How can skills open new opportunities for disadvantaged groups in green economies and societies?
- What are the priorities for the international community to assist countries to develop skills strategies for green economies and societies?
Greening Technical Vocational Education and Training (TVET) and Skills Development
